Description

Discover refined versatility with the Discovery Sport P270e PHEV Metropolitan, finished in striking Carpathian Grey premium metallic that enhances its confident and modern design while helping maintain strong visual appeal over time. The advanced plug in hybrid electric powertrain delivers smooth performance with the added benefit of improved fuel efficiency and the ability to enjoy quieter low emission electric driving for everyday journeys. Inside, the Ebony Windsor leather interior creates a luxuriously comfortable environment with soft touch premium materials that elevate every drive and are easy to maintain. Heated rear seats ensure passengers enjoy exceptional comfort during colder months, making longer journeys more relaxing for family and friends. The

Metropolitan specification adds a sense of understated sophistication with carefully chosen details that enhance both style and practicality. Black roof rails increase versatility by making it easy to carry bikes, roof boxes or sports equipment, ideal for active lifestyles and weekend adventures. The Tyre Repair System offers added peace of mind by enabling you to address minor punctures quickly, helping you stay on the move without unnecessary delays. This Discovery Sport combines premium comfort, intelligent technology and everyday usability in one capable SUV, perfectly suited to both urban driving and countryside escapes.
