Description

Experience refined power and modern luxury with our Range Rover D300 Edition finished in striking Santorini Black, a deep and elegant colour that enhances the vehicle's commanding presence on the road. The contrasting Perlino Windsor leather interior creates a bright and beautifully crafted cabin, offering exceptional comfort and a premium feel for every journey. Sitting on impressive 23" Gloss Black alloy wheels, this Range Rover delivers confident road presence and enhanced stability while perfectly complementing the Shadow Exterior Pack for a sleek and purposeful look. The sliding panoramic roof floods the interior with natural light and fresh air, transforming long drives into relaxing experiences for both front and rear passengers. Privacy glass provides added comfort and discretion while helping to keep the cabin cooler, and the Ebony Headlining adds a refined, cocooned

atmosphere that enhances the sense of calm inside. The Gloss Grand Black veneer finishes the interior with a contemporary edge, combining durability with a high end aesthetic. Secure Tracker Pro offers valuable peace of mind through advanced theft tracking technology. Land Rover approved fixed side steps make access effortless for all passengers, while front and rear mud flaps help protect the bodywork from road debris, keeping the vehicle looking its best in all conditions. A perfect balance of luxury, presence and practical benefits, this Range Rover is designed to impress every time you drive.
