Description

Experience the perfect blend of performance, efficiency and contemporary luxury with this Range Rover Evoque P270e PHEV Hoxton Edition, finished in striking Tribeca Blue Metallic with a refined Ebony and Cloud grained leather interior. This plug in hybrid delivers smooth electric driving for shorter journeys while retaining petrol power for longer trips, helping reduce fuel costs and emissions without compromising performance. The fixed panoramic roof floods the cabin with natural light, enhancing the sense of space and comfort for every passenger. Privacy glass not only adds a sleek, premium look but also improves security and keeps the interior cooler on warmer days. The included home charging

cable ensures convenient overnight charging, so you can start each day with electric range ready to go. Practicality is enhanced with a tyre repair system, giving peace of mind and saving valuable boot space compared to a traditional spare wheel. Approved Land Rover front and rear mud flaps protect the vehicle's bodywork from road debris, maintaining the premium finish, while the durable rubber loadspace mat keeps the boot area clean and protected, ideal for active lifestyles or family use. This Evoque Hoxton Edition combines cutting edge hybrid technology with unmistakable Range Rover design, delivering comfort, versatility and everyday usability in one sophisticated package.
