Description

The New Range Rover Velar P400e Plug In Hybrid Belgravia Edition combines sophisticated design with outstanding efficiency, offering the flexibility of electric driving for shorter journeys and petrol power when you need it most. Finished in striking Carpathian Grey Metallic with a luxurious Cloud and Ebony Grained Leather interior, this exceptional Velar is further enhanced by 21 inch Satin Grey Alloy Wheels, Privacy Glass, a Black Contrast Roof and the Black Exterior Styling Pack, creating a distinctive and commanding presence on the road. The P400e Plug In Hybrid powertrain delivers impressive performance with lower running costs and the ability to complete many daily journeys using electric power alone. Included is a Home Charging Cable, providing the

convenience of charging from home and helping you maximise the benefits of hybrid ownership.Land Rover Approved Accessories including Front and Rear Mud Flaps help protect the vehicle's paintwork from road debris, while the Rubber Loadspace Mat provides durable protection for the luggage compartment, making it ideal for family, leisure and everyday use.A premium SUV that perfectly balances luxury, technology, practicality and efficiency, the Velar Belgravia Edition is designed to make every journey exceptional.
