Description

Discover the perfect balance of efficiency, versatility and premium comfort with this New Discovery Sport PHEV Landmark finished in striking Firenze Red with luxurious Ebony Leather interior. Combining plug in hybrid technology with Land Rover capability, it delivers lower running costs, the flexibility of electric driving for shorter journeys and confidence for longer adventures. Designed with comfort in mind, the Heated Steering Wheel provides welcome warmth on colder mornings, while the Home Charging Cable offers the convenience of charging from home to help keep your Discovery Sport ready for every journey. The Tyre Repair System adds extra reassurance and practicality, giving added peace of mind when you're on the move. This exceptional vehicle is further enhanced with Land Rover Approved Accessories including Front and Rear Mud Flaps to help protect the paintwork from road spray and debris, and a Rubber Loadspace Mat which helps keep the luggage area clean and protected from everyday wear, making it ideal for family life, leisure activities and travelling with pets. Stylish, capable and efficient, this Discovery Sport PHEV Landmark is ready for whatever life brings. Contact Barretts Land Rover Canterbury today to arrange your viewing and test
