Description

Experience the perfect blend of luxury, efficiency and versatility with this New Discovery Sport P270e PHEV Metropolitan Edition finished in stunning Fuji White with an Ebony Windsor Leather interior. The advanced Plug In Hybrid powertrain delivers impressive performance while offering the flexibility of electric driving for shorter journeys, helping to reduce running costs without compromising capability. Standing proudly on 20 inch Diamond Turned Alloy Wheels, this Metropolitan Edition combines premium styling with a commanding road presence. The Black Exterior Pack, Black Roof Rails and contrasting design details create a sophisticated and modern appearance that is guaranteed to turn heads wherever you travel. Inside, the ClearSight Interior Rear View Mirror provides an unobstructed view behind the vehicle, even when passengers or luggage fill the cabin, giving added confidence and convenience on every journey. A Home Charging Cable is included, making it easy to charge and maximise the benefits of hybrid ownership from the comfort of your home. Practicality is enhanced by a Reduced Section Steel Spare Wheel for added peace of mind, while the complimentary Loadspace Rubber Mat helps protect the boot

area from everyday wear, muddy boots and active family lifestyles. Offering exceptional comfort, innovative technology and renowned Land Rover capability, this Discovery Sport P270e Metropolitan Edition is perfectly suited to both family adventures and daily commutes.
